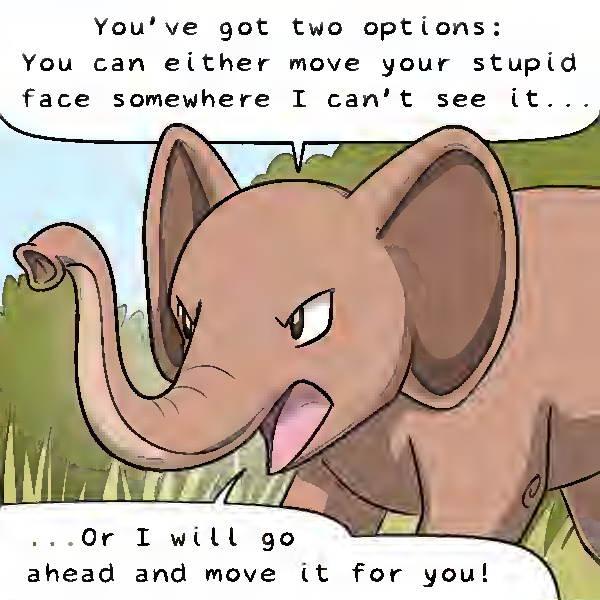
Hey, you!
You're in my territory, buddy.



You've got two options: You can either move your stupid face somewhere I can't see it...
...Or I will go ahead and move it for you!

Oh dear, am I bothering you? Feel free to move me, then...
If you can!
Whuh..?

Whaddya MEAN, "If I can"?!
I'm an ELEPHANT, yo!
I could literally crush you!

Haha, sure.
Honestly, I'm not too worried.

Fine, then! Let's go!
Get ready for a world of pain, buddy!
